Responsible Gambling: -

In order to keep gambling enjoyable and under control, Turicher recommend that you follow these tips:

- Be aware and keep track of how much funds you are spending.
- Avoid chasing losses and stick to your predetermined budget.
- Only gamble money you can afford to lose.
- Treat gambling as a form of entertainment and not a source of income.
- Plan how many tickets you want to wagered for each contest.
- Do not gamble if you are under the influence of drugs or alcohol.
- Do not gamble if you are depressed or to avoid other problems in your life.

Problem Gambling: -

Turicher believes gaming is a form of entertainment that shouldn't negatively impact a player's life. If you feel that gambling may becoming a problem for you, ask yourself the following questions developed by Gamblers Anonymous:

- Did you ever lose time from work or school due to gambling?
- Has gambling ever made your home life unhappy?
- Did gambling affect your reputation?
- Have you ever felt remorse after gambling?
- Did you ever gamble to get money with which to pay debts or otherwise solve financial difficulties?
- Did gambling cause a decrease in your ambition or efficiency?
- After losing did you feel you must return as soon as possible and win back your losses?
- After a win did you have a strong urge to return and win more?
- Did you often gamble until your last dollar was gone?
- Did you ever borrow to finance your gambling?
- Have you ever sold anything to finance gambling?
- Were you reluctant to use "gambling money" for normal expenditures?
- Did gambling make you careless of the welfare of yourself or your family?
- Did you ever gamble longer than you had planned?
- Have you ever gambled to escape worry, trouble, boredom or loneliness?
- Have you ever committed, or considered committing, an illegal act to finance gambling?
- Did gambling cause you to have difficulty in sleeping?
- Do arguments, disappointments or frustrations create within you an urge to gamble?
- Did you ever have an urge to celebrate any good fortune by a few hours of gambling?
- Have you ever considered self destruction or suicide as a result of your gambling?

Most compulsive gamblers will answer yes to at least seven of these questions.
